THE
LIGHT
NARRATIVE

Learn. Create. Inspire.

Welcome to our photography courses — where learning meets passion in the vibrant heart of Pune City. Led by Sarvesh Rajpathak, an accomplished photographer and educator with over 12 years of teaching experience, these courses offer a perfect balance of creative exploration and technical mastery. Sarvesh has taught at some of the city's most reputed institutions, including Fergusson College, COEP Technical University, and Pixel Village Creators Academy, helping hundreds of students grow into confident, skilled photographers.

What makes our courses stand out?

- Expert Instruction: Learn from Sarvesh, a seasoned professional with deep knowledge of photography techniques and creative practices.
- Proven Reputation: Benefit from Sarvesh's experience at top institutions that prioritize hands-on, impactful learning.
- Flexible Learning: Our courses are structured to fit around your schedule — without compromising on depth or quality.
- Studio Excellence: Train in a state-of-the-art studio fully equipped with industry-standard lighting, cameras, and backdrops.
- Expert Support: Get one-on-one guidance and feedback throughout your learning journey.
- Central Pune Location: Our studio is easy to access, helping you stay consistent with your practice.

Whether you're a beginner or a budding professional, our courses are designed to bring out the best in you — technically, creatively, and professionally.
